

Welcome Continuing Cardinals to Winter and Spring 2025!

We look forward to having you continue your studies at York College ***where your dreams take flight!***

Our Admissions Office will assign enrollment appointments for **incoming first-time** students to York College once you, the student, have completed your process for Winter and Spring 2025.

Here are some important information and action steps:

Enrollment appointments for **Continuing** students will begin Monday, October 21, for Winter 2025 and Wednesday, October 23 for Spring 2025.

ACTION STEPS:

1. Don't forget to file your [2024-2025 FAFSA](#).
2. Review your CUNYfirst Student Center to see the exact date and time of your enrollment appointment.
3. It is highly recommended that all students seek academic advisement from their academic major department and/or program and access DegreeWorks and FACTS before enrolling for courses.
4. You must resolve any negative service indicator (holds) on your account before enrolling in courses.
5. Use Schedule Builder to register for courses.

**The Schedule of Classes for Winter and Spring 2025 is on the Office of the Registrar homepage under Winter and Spring 2025 Schedule at www.york.cuny.edu/registrar*

If, after enrolling, **you do not plan to attend York College for Winter 2025, you MUST** drop your course(s) before the first day of classes on/or before January 1, 2025.

If you do not plan to attend York College for Spring 2025, you **MUST** drop your course(s) before the first day of classes on/or before January 24, 2025 in Schedule Builder.

Failure to comply by not dropping your courses by the above dates will result in possible tuition and financial liability to the College.

Thank you.
