

Curriculum to Career:

Empowering Student Success through Career Competencies

Are you passionate about enhancing student learning and preparing them for their careers? Join us in the Curriculum to Career initiative—where faculty creativity meets career readiness!

- Develop innovative co-curricular projects that bring your course content to life
- Collaborate across departments and build a stronger community
- Access \$1,200 in funding to support field trips, events, and more
- Connect learning to NACE Career Competencies like Critical Thinking, Leadership, and Professionalism
