

ACUE Commons connects faculty, staff and higher education leaders around two goals—professional growth and transformative student learning. Engage with practices that build your expertise, support your wellness, increase student persistence, and improve outcomes.

Join thousands of peers who are investing in themselves and raising the bar for higher education.

Your CHANGE Journey Starts Here

Quick Studies

Dive into one-hour Quick Studies surrounding emerging topics. Keep an eye out for CHANGE exclusive Quick Studies coming soon!

Institutional Community Group

Access a private institutional group to engage with your colleagues. Share what works, learn from setbacks, and celebrate together.

Your Personalized Profile

Personalize your account with a headshot and bio, and highlight your professional growth by showcasing earned badges and Endorsements.

TMC Exclusive Events

Join live events with leading HBCU experts and walk away with fresh ideas and practical strategies.

MORE RESOURCES FOR EFFECTIVE INSTRUCTION

Start your certification journey to unlock Member Plus status and access tools that transform teaching.

National Events

Join additional Commons live events led by leading experts on a range of instructional topics.

Ongoing Access to Course Resources

Search across all your ACUE certification materials and quickly engage in community discussions.

Curated Development Feed

Stay inspired with the latest research, strategies, events, and discussions— all curated on your newsfeed.
